Service Ends = The last month we will post a Service Release containing bug fixes for this product. After this date, we will no longer fix bugs or post updated Service Releases. We will however, recommend a work-around if one exists, or indicate if the issue has been fixed in a product version released at a later date.

Support Expires = The last month we will take support questions on this product either via the public forums, web submission, chat or priority support. This does not imply that questions posted on expired products will not be answered in the public forums by other forum users.
